## ABOUT US

Integral Global Consulting (IGC) is an 8(a) small business firm that works with U.S. and international government organizations, foundations, educational institutions, and foreign ministries to develop and implement sustainable global health solutions – *linking implementation with public health science*. IGC currently operates in Eastern Europe, South & Central Asia, the Middle East, and sub-Saharan Africa. The firm creates impact coordinating and implementing public health programs for the Centers for Disease Control and Prevention (CDC), Department of State (DOS), Defense Threat Reduction Agency (DTRA), the private sector, and private foundations. Through these collaborations, IGC manages inter-agency coordination between government and non-governmental partners to bring resources where they are most needed.
